Remarks:

- Premium rates apply to insureds in occupation class 1 with good health. The Company may charge additional premiums based on occupational risk and health conditions.
- Premium of this insurance contract is eligible for personal income tax deduction according to the Notification of the Director-General of the Revenue Department No. 172.

Validity of Insurance Contract

In case the insured knowingly makes false statement or knowingly omits to disclose any fact to the Company for acknowledgement while applying for the insurance, where if the Company had known of such fact, the Company may be induced to charge higher premium or refuse to enter into the insurance contract, then this insurance contract will be voidable according to Section 865 of the Civil and Commercial Code which the Company has the right to void the insurance contract and not to make any policy payment. The Company's liability will be limited to returning all premium paid to the Company.

Exclusions

1. In case the insured voluntarily commits suicide within 1 year from the effective date or the latest date of renewal or reinstatement of the insurance policy or the date that the Company approves to increase the sum insured amount which shall apply to the increasing sum insured amount only.
2. In case the insured is murdered intentionally by the beneficiary.
3. In case the insured declares an incorrect age and the Company can prove that at the time of insurance contract formation, the actual age is outside the premium rate limit according to the normal business practice of the Company.

Notes for your attention

1. The insured has the right to cancel the insurance policy during Free Look period which is within 15 days after receiving the policy from the Company. The insured will receive premium refund, deducting with the Company's expense at 500 Baht per policy book and actual health checkup expense (if any).
2. After Free Look period and premium payment has been made until cash surrender value exists and the policy is still effective, the insured has the right to surrender the insurance policy. The receivable amount might be less than the paid premium.
3. This insurance plan is life insurance which is not savings deposit. For the applicant's benefit, premium payment should be made until completing the premium payment period and the insured should hold the insurance policy upon the contract maturity. If the insurance policy is ended before the contract maturity, the insured may not receive full refund.
4. Applying for insurance, changing, or canceling a base-plan insurance policy or a rider may impact the premium amount eligible for annual personal income tax deduction.
